Concerns: Your membership in our Pension fund

Dear Madame or Sir,

We welcome you as an employee member of our Pension fund. Our Management and Advisory team (Service Gestion et Conseil) is at your disposal to best serve your interests and answer all of your questions.

As a new member, we remind you that you have the obligation to transfer all your 2nd pillar assets to our Fund. These assets may be held in your previous pension fund or in a blocked account with a bank or insurance company. Therefore, we ask you to provide our bank details to the institutions concerned

Banking establishment :	Banque Cantonale de Genève, 1211 Genève 2
Account owner :	CPEG, Esplanade de Pont-Rouge 5, 1212 Grand-Lancy
IBAN :	CH96 0078 8000 0504 0931 7

However, the transferable amount is limited. Please refer to the letter in French you have received to see your maximum amount.

If your assets exceed this limit, you have the possibility to improve your benefits in the event of early retirement. If this limit is not reached, you have the option of improving your benefits through a voluntary payment. For any further information or advice you may require, please contact our team by filling our contact form on our website: <https://www.cpeg.ch/prevoyance/nous-contacter/>

You will find more information on our www.cpeg.ch website, such as our Policyholder guide (also available [in English](#)).

In addition, we would like to take this opportunity to inform you that our Fund provides a lump sum in the event of death for members who are not entitled to a surviving spouse's pension. If you wish to specify the beneficiaries of this lump sum, you must return the beneficiary clause form and/or the agreement attesting to the community of life, which you will find at [La CPEG > Bibliothèque > Formulaires.](#)

For more information, you can refer to our Policyholder guide: "Death on an employee" or contact our team.

We remain at your disposal for any further information you may require.

Kind regards,
